Employee Happiness Awards (EHA)

The Most Authentic Platform to Gain Recognition for Happy Workplaces

In recent years, employee happiness has become a core focus for progressive and profitable organizations worldwide. Companies are taking radical steps to ensure employee well-being through measures like hybrid working models and extended paternal leaves.

What is the Employee Happiness Awards?

The Employee Happiness Awards is a platform designed to recognize and celebrate **organizations that prioritize their employees' well-being and happiness**. By showcasing inspiring stories, the awards aim to motivate others to adopt innovative and employee-centric practices.

After the overwhelming success of two editions in Dubai, where we recognized over 100 companies, we are thrilled to venture into new horizons with the **Employee Happiness Awards 2025**.

Accreditation:

In recognition of the authenticity and transparency of our judging process, EHA is a proud recipient of the Awards Trust Mark by the Independent Awards Standard Council. This certification is a validation to our "Winners on Merit Only" ethos.
